ORDER:

In the letter read above, the Chief Engineer, Minor Irrigation, Hyderabad, has submitted estimate for the work "Improvements to Kotha Cheruvu, Nerada Village, Chintakani Mandal, Khammam District", to accord administrative approval for Rs.34.94 lakh under NSP stating that the above tank is having an ayacut of 38 Acres. This tank is having one Sluice. The bund is fully covered with juliflora bushes and top levels of bund are far below the TBL and slopes are eroded badly. The weir body wall is leaking heavily and top portion damaged badly. The apron has been washed out due to heavy floods. The LF down stream wing and return also collapsed. Further, he has stated that an amount of Rs.13,832/- required for the component of jungle clearance is proposed under MGNREGP. Hence, he has requested to accord administrative approval in the matter.

2. Government, after careful examination of the matter, hereby accord administrative approval for Rs.34.94 Lakh (Rupees thirty four lakhs and ninty four thousand only) for the work "Improvements to Kotha Cheruvu, Nerada Village, Chintakani Mandal, Khammam District".
